Do you know
 where the tradition of dressing up for Halloween comes from?

physical activities
 Like making the clothes, upskilling, walking to the grocery to shopping in store, the these tasks involved to take up outdoor morning

mental activities
 Like watching the weather, but it is better than we should know that are new for you. With this, you can learn something new and have interesting conversations with friends!

Halloween dates back to pagan times and is thought to originate with the Celtic pagan festival of Samhain, which celebrated the end of the harvest season. It was believed that during this time of year, the spirits were able and started spirits to pass through.

The Celts believed the return of spirits through the air and between the worlds. So to appease a spirit that would come through, they would set out their dressed bodies and offer the spirits food and drink.

THE FIRST UNITED BUILDING STORY

a graphic novel

Has it ever crossed your mind that buildings have stories to tell?

We pass streets and buildings every day on our commute without wondering what they are named after, how they originated, what transpired there...

The First United Building in Escolta, Manila definitely has a lot to share.

[CLICK TO BEGIN](#)

THE FUB STORY IS AN ONLINE GRAPHIC NOVEL FEATURING THE HISTORY OF THE FIRST UNITED BUILDING FOUND AT THE ENTRANCE OF ESCOLTA STREET, MANILA.

3/4 Puppet

closer to human proportions, genderless features, ambiguous faces

more color blocking, puppets stay with coherent color groupings chosen from the project palette

profile puppet

less exaggerated than wayang kulit silhouettes, maintains roundedness to features

simple shapes allow for more colorful fabric, whimsical colors, and texture layering

wayang Puppet

silhouettes directly influenced by wayang kulit, including elongated limbs

every character of a single color, with 3 fabrics to highlight nationalities
